## V. Issues and Challenges

---

- Quality of Products are different in each region;
- Items and Outlets are difficult to find;
- Collectors are changed to fieldwork after training;
- Collectors have less Experience and knowledge on Data collection method.

## VI. Way Forward.

---

- To review the performance of ICP project in Lao PDR in the past;
- To learn some experiences from this project that we could gain to improve on CPI & ICP data collection method to the next;
- To continue to participate ICP project in year 2020;
- To capacity building to LSB and local statistician provinces.
